RECOMMENDED WEBSITES

COASTAL AND BAY ACCESS

www.scc.ca.gov

Homepage for the California State Coastal Conservancy. Information on projects, funding opportunities and links to the SCC publication *Coast and Ocean*.

www.southsloughestuary.com

Homepage of the South Slough National Estuarine Research Reserve in Coos Bay, Oregon. There is interesting information on paddling in the slough as well as updates on trails around the area.

inlet.geol.sc.edu/PDB/index.html

General information about Padilla Bay, Washington and access at the National Estuarine Research Reserve there.

www.coastal.ca.gov

Homepage of the California Coastal Commission

LAND AND WATER TRAILS

www.caltrails.org

State of California clearinghouse for trails information, including comprehensive list of funding sources.

www.californiacoastaltrail.org

Coastwalk's web page for the California Coastal Trail.

www.eurekaweb.com/cityhall/trails

The City of Eureka's Trail Committee site gives information about their mission, current projects, and needs for assistance from the community.

www.ridgetrail.org/trail/index.htm

Homepage for the San Francisco Bay Ridge Trail. Information on progress of the trail, amenities along the trail and how to access segments of the trail.

www.abag.ca.gov/bayarea/baytrail/overview.html

General information about the San Francisco Bay Trail

www.trailsandgreenways.org

Homepage of the Trails and Greenways Clearinghouse.

www.railstotrails.org

Homepage of the Rails-to-Trails Conservancy.

www.americantrails.org

Homepage of American Trails, a non-profit dedicated to pursuit of all trails interests.

wwta@eskimo.com

Washington Water Trails. Information on existing trails and resources.

www2.bitstream.net/~kbarlow/superior/history.html

Information on Lake Superior Water Trails.

www.uscgboating.org/grants/grants_default.asp

Official website of the U.S. Coast Guard Office of Boating Safety with a page on available grant programs.

<http://cycling.org/lists/forba/forba-archive-hyper/forba.199710/0003.html>

An extensive list of resources relating to trails.

www.imba.com

The home page of the International Mountain Biking Association. A great resource for information on trail building and maintenance. Many links to information about trails around the country.

INTERPRETIVE INFORMATION FOR TRAILS

www.interpnet.com/greenpages/index.htm

A resource for interpretive products, programs, and design companies.

www.heritagedesign.com

The Interpretive Service Team of the the U.S. Forest Service - Pacific Northwest Region providing interpretive planning and design available to federal, state and local government agencies.

LIVABLE COMMUNITIES - BIKING AND WALKING

www.lgc.org

The homepage for the Local Government Commission in Sacramento. An excellent source of 'livable communities' information.

www.bikefed.org

National Center for Biking and Walking. A resource for pedestrian and bicycling programs news.

www.bikefed.org/economic_impact.htm

Articles and links to information on the economic benefits of trails.

www.transact.org

Homepage of the Surface Transportation Policy Project.

www.calbike.org/links.htm

Great resource for links to sites with information about cycling and pedestrian advocacy, funding sources and other groups in California.

www.walkablecommunities..org

Dan Burden's non-profit organization providing consultation on livable community (re)development.

www.tlcnetwork.org

The Transportation for Livable Communities Network. Resource documents and articles on a wide variety of sustainable transportation topics.

www.sustainable.org

The homepage of the Sustainable Communities Network. Access to information, shared ideas, funding resources.

www.dot.ca.gov

The main page for California Department of Transportation with access to their Traffic Manual and Highway Design Manual available for downloading.

www.sustrans.org

Sustrans is a charity working on practical sustainable transportation projects to encourage people to walk and cycle more. The site has interesting information about 'safe routes to school' and other non-motorized transport ideas.

www.northcoast.com/~hcin/jclt/ezm.html

Jacoby Creek Land Trust provides information about conservation easements.
